Hi all, here is a revised version that takes into account Bob K's comments regarding the RfC as well as Karen's suggestions below on some of the streamlining language. I did not receive comments from anyone else.

Hi folks-

I'm sending around an updated version of the draft BaP IASD review email for review (thanks Dahnish for sending me a template, and Vicki for reminding me). I've populated the list of major changes in the assessment and added a few comment bubbles for consideration.
